## Many schools are currently adding on these extras:

Many groups are opting for these extras as during COVID-19 times children cannot touch our therapeutic puppet puppy, Amber or share resources. By having their own Bamber (Baby Amber) children benefit from the benefits of having a direct connection with their own puppy. The additional items in the bag mean that children do not have to share items and have a pack to take home at the end of their programme. It also means that should the programme need to be facilitated in homes that children have a kit with them in their homes.

### **Children's Passport package:**

Beautiful passport, certificate and poster **£4.00** per pack per child sold in class packs of x30.

### **Basic Package:**

Bamber (Baby Amber, our brand-new therapeutic teddy puppy that compliments the programme for each child taking part): **£12.99 each** or discount for bulk orders <https://freshmindseducation.com/product/bamber-baby-amber/>

### **Fresh Little Minds Classroom Signature Bag :**

Each class teacher taking part can purchase and receive the Fresh Little Minds Classroom Signature Bag which contains a selection of resilience-based props, tools and resources for use in the classroom during the programme and throughout the school year. **Price £100**
