Lesson Plan

Educator Questions. This our passport session we think about what we have learned so far in this theme...

Do you remember how this works?

- We get our passports and colouring pens ready
- We complete this activity alone
- We quieten our bodies and get comfy
- Once we finish colouring we can rest, snooze or watch the video
- The chime tells us that we can get going
- When we hear the chime after 10 minutes it is telling us that it is time to get ready for what comes next in our day
- And lets begin...shhhh....
