

Thank you for showing interest in Facilitating Connections Link Life, Suicide Awareness Programme. This Programme has proved exceptionally successful, with over 150 sessions delivered in its first year and a growing network of Connections Ambassadors approved to deliver this vital work within their own organisations.

### **The Connections Train the Trainer Programme Content**

- 2-day certified online course, facilitated by Senior Connection Mentors
- Experience the course as a participant
- Develop expertise of the theory that underpins the curriculum
- Learn to deliver the Connect 4 ways model
- Gain supportive feedback
- Learn about the resources and support available for facilitators
- Enjoy access to quarterly mentoring and master classes
- Navigate the Connections Facilitator Members Area
- Share experiences with peer group/ developing links & networks
- Access the approved Facilitator Pathway
- Access to the Facilitator's member's area.
- Certification for Approved Facilitators

Once you have completed the training you will be issued your renewable license permitting you to deliver the Connections LLO programme within your organisation (as per FME contract standards).

The Facilitator Training Package and license costs £750

Limited Sponsored Volunteer positions are available and can be applied for. As a volunteer the training will be supplied **FREE** of charge, with the expectation of 10 voluntary facilitator sessions completed a year for 2 years.

Once fully trained the Facilitator can apply for their own license to deliver within an agreed organisation or to join the FME paid team should a vacancy arise.

Kind Regards
